## 2021-2022 Chestnut Residence Occupancy Agreement

In consideration of the mutual covenants contained herein, THE GOVERNING COUNCIL OF THE UNIVERSITY OF TORONTO (the "University") and the "Resident" agree as follows:

### PERIOD AND TERMS OF OCCUPANCY

#### 1.0 Period & Terms of Occupancy

The University agrees that the Resident may use and occupy both the individual room and designated shared unit facilities assigned pursuant to sections 5.0 to 5.12 of this Agreement (hereinafter called the "premises") during the occupancy dates as outlined in sections 1.1 and 1.2.

#### 1.1 Occupancy Start Dates

A check-in time will be sent in advance to the residents' active email account, as registered in the Accessible Campus Online Resource Network (hereinafter called "ACORN"), for residents to occupy their rooms on Sunday, September 5, 2021. All residents must occupy their rooms by midnight on September 12, 2021, in order to avoid forfeiture of the room assignment. If a resident does not pick up their keys and occupy their room by midnight on September 12, 2021, it will be assumed that the resident is cancelling their space in residence. Their reservation, occupancy agreement, and deposit are automatically forfeited and cancelled, and the University may license the Room to another resident forthwith without notice. Please refer to sections 4.0 to 4.5 of this Agreement for additional information regarding cancellations.

For students who must fulfill the requirements of Mandatory Quarantine as per the Government of Canada, contracts dates and residence fees will not be adjusted.

Should the student be arriving after Sunday, September 12, 2021, the student should notify the Residence Life Office as soon as possible.

#### 1.2 Occupancy End Dates

The occupancy period covered by this Agreement ends at 12:00 p.m. (noon) EST on the day following the last day of final exams as specified in the University Academic Calendar. Residents are expected to vacate the premises by no later than 48 hours after their final exam, or by 12:00 p.m. (noon) EST on May 1, 2022, whichever comes first.

#### 1.3 Binding Commitment

Acceptance of the terms and conditions of this Agreement constitutes a binding commitment by the Resident for the full term as outlined in sections 1.1 and 1.2 of this Agreement.

#### 1.4 Limited to Term of Occupancy

This Agreement is solely for the provision of accommodation for the term stipulated in Sections 1.1 and 1.2, and the Resident expressly agrees that this Agreement and the term of occupation set out herein shall terminate at the date and time set out in Section 1.2. This Agreement should not be expected to be renewed or continue beyond the dates outlined in Section 1.2, and the University makes no representations with respect to any such renewal or continuation of this Agreement. A resident may submit an application for

subsequent terms, but such application is not guaranteed on the sole basis of previous occupancy in residence.

### **1.5 Winter Break Closure & Service Reduction**

The Residence is closed from 12:00 p.m. (noon) EST on Wednesday, December 22, 2021 through until 8:00 a.m. EST on Sunday, January 2, 2022 (hereinafter called the “Winter Break”). As such, the Resident is required to vacate the premises by no later than 48 hours after the Resident’s last December exam, or by no later than 12:00 p.m. (noon) on the last day of the December exam period as specified in the University Academic Calendar, whichever comes first. The Resident is expected to secure alternate accommodation during this period. Residents may return to the premises no earlier than 8:00 a.m. EST on Sunday, January 2, 2022.

Accommodations during this period may be made available to residents with extenuating circumstances (e.g. international students, out of province students, etc.). A resident may apply to remain in residence during this period by submitting a request using the appropriate form (hereinafter called the “Winter Break Application”) before Wednesday, December 1, 2021. Such requests will be considered and determined by the Dean and/or their designate in their sole and absolute discretion. Approval should not be considered automatic. The Winter Break Closure costs \$400 CAD. Requests received after Wednesday, December 1, 2021 will be subject to a late fee of \$50.

Upon approval of a Winter Break Application, residents will continue to be subject to the terms outlined in this Agreement.

During the Winter Break closure, no food services, IT services, caretaking, or other services above and beyond emergency services will be provided. No overnight guests or social gatherings are permitted; it is 24-hour quiet period for the duration of the Winter Break.

## **ROOM & WAITLIST ASSIGNMENTS**

### **2.0 Living Accommodation**

The premises consist of the bedroom assigned to the Resident, together with fair use and responsibility of the shared unit facilities (hereinafter called the “Shared Unit Facilities”). Shared Unit Facilities include, but are not necessarily limited to, the bathroom and living space.

### **2.1 Room Assignment**

Residents will have the ability to select their room using the Room Selection tool. In cases where this tool is not used, the Resident will be assigned a room based on the Offer Room Type by the Dean or Dean’s designate. Room assignments are subject to change at staff discretion. Room types are not guaranteed, however, and should not be considered exclusive to particular applicant categories.

During the application process, first year applicants will have the opportunity to indicate whether they wish to have a roommate and the roommate request must be mutually confirmed. The Residence Life Office cannot guarantee roommate preferences will be met.

Applicants who are eligible to live on a restricted Themed Floor will have access to select from these spaces through on-line selection. Spaces are limited on designated floors.

If applicants have not selected their room space by the deadline in their email, one will be selected for them.

## 2.2 Gender Inclusive Arrangements

Diversity is an important part of the cultural landscape at the University, and Chestnut Residence considers gender diversity to be an important aspect of this. Chestnut Residence believes that students have a right to live in a housing arrangement that is inclusive of their gender identity. In the interest of creating an equitable and inclusive community, the Residence is happy to offer mixed-gender housing options for students. Mixed-gender housing is available for all students, including those who feel that their gender identity or gender expression is not represented in the traditional male and female housing arrangements that are typical of most campuses.

In the residence application, all students have the option to select their gender – but are not required to. Where applicable residents who are assigned to roommates will be assigned to roommates of the same gender. Indicating interest in a mixed gender unit does not guarantee placement in such a unit.

Mixed-Gender housing may not be guaranteed. However, if mixed-gender housing is a needs-based accommodation or if you would simply like to initiate a conversation with a residence staff member regarding what you see as your gender-specific housing needs, please contact us at [chestnut.residence@utoronto.ca](mailto:chestnut.residence@utoronto.ca)

## 2.3 Reassignment

Residents may be reassigned at any time if, in the sole opinion of the Dean or Dean designate, a room reassignment is necessary. The Resident agrees to accept the University's prerogative/responsibility to relocate the Resident to an alternative room as deemed necessary due to factors that may include, but are not limited to, roommate/suitemate withdrawal or incompatibility, emergency situations, threats to personal safety, construction, repairs, unplanned business disruption, Acts of God, or to maximize occupancy.

Residents must be prepared to welcome a new person to their room or unit or be relocated to another room any time a vacancy exists. When a vacancy exists that cannot be filled, the bed is not permitted to be used. See Section 2.5 for information and reprimands related to subletting.

## 2.4 Double Room Upgrade

If the restrictions implemented during Covid-19 are lifted later in the Academic year, those Residents who are residing in a Double Room may be required to have a roommate to help accommodate the demand of

those students who are first year students with the housing guarantee, who are coming to campus for the Winter Term. Residents will be given a credit on their ACORN account as per the Double Room rate to reflect that they will be sharing their space.

### 2.5 Subletting Not Permitted

The Resident agrees that:

- (i) The Resident will not use the premises, or permit them to be used, for anything other than as residential accommodation for one person; and/or
- (ii) The Resident will not permit the premises to be occupied for any duration (except as may be expressly permitted herein) by any person or persons other than the registered occupant(s) with the Residence Life Office or as otherwise authorized by the University; nor will the Resident sublet the premises or any part thereof. Advertising residence spaces on short-stay websites (such as AirBnB), flyers, or by any other means is strictly prohibited.

The Resident agrees and acknowledges that, if the Resident is discovered to be permitting occupancy of the premises in a manner that is contrary to this section 2.5, the Resident will be evicted from the premises forthwith.

## CANCELLATION, WITHDRAWAL OR TERMINATION OF OCCUPANCY

If an applicant is offered a room in residence and declines that offer or does not respond by the specified deadline, their application will be cancelled, and the applicant’s guarantee (if applicable) shall be forfeited.
